

Cres Cor is proud to offer 2D CAD and 3D **Revit**® files that are easily downloadable on KCL CADalog subscription service. Log on to [www.crescor.com](http://www.crescor.com) to access these CAD files.

## About Cres Cor

### COMPANY HISTORY

When your business is on a roll we hope it's in Cres Cor's hot cabinets, ovens, utility cabinets, racks, dollies and a host of other Cres Cor quality products.

Cres Cor, a family owned company, has been a moving force in the foodservice industry since 1936 and is centrally headquartered near Cleveland, Ohio. With over 275,000 square feet of state-of-the-art manufacturing and distribution facilities, we have made a commitment to unsurpassed reliability and superb customer service.

### COMPANY FOCUS

"Our focus is to continually bring new ideas and exciting, labor and money saving products to market" says Cliff Baggott, Cres Cor's president. "We are a 76 year 'young' company always striving to improve our products, processes, and ourselves."

### COMPANY TODAY

Today, you can visit Cres Cor many different ways. Come see our product information on our website, call our Customer Care staff directly at our world headquarters, or contact your local Cres Cor sales representative.
